Italiano nel cuore, finlandese nelle stagioni

At Panini, pizza lovers are spoiled with high quality, classic pizzas where the toppings always include seasonal specialities. However, the real secret to our pizzas is the dough which has remained almost the same through the years. The menu in Panini is based on Italian food culture - home in Turku, heart in Italy.

All our fresh meat is finnish.

We serve locally filtered and bottled Thoreau water for everyone. 1€ per person.
